

## Public Health Notice

We are excited to host an in-person AGM together with our United Conservative family. Given the ongoing COVID-19 situation and the measures that Alberta has instituted to protect the health care system and stop the spread of COVID-19, we kindly ask you to follow the mandatory health measures outlined below.

We believe in personal responsibility. Anyone who fails to follow public health rules will be asked to leave. Here's what is required:

### PROOF OF VACCINATION

The Party is subject to the requirements of the venue. In this case, Grey Eagle Resort is our host and they are participating in the Restrictions Exemption Program which means that to access the building, everyone over the age of 12 must show one of the following:

- proof of full vaccination using a vaccine record with a QR code, administered at least 14-days prior,
  - You can get your QR code record here:  
<https://covidrecords.alberta.ca/home>
- proof of a privately paid negative rapid antigen or PCR test result taken within 72 hours of the time and day you are entering the AGM, or
- an original medical exemption letter (no copies)

### MANDATORY MASKING

Everyone over the age of two must wear a face mask when indoors at all times unless consuming food or drink.
